

# Herald Cancer Care Network offers monthly Cantonese radio program on **AM 1450**

---

Herald Cancer Care Network is broadcasting a monthly, one hour cancer information program dedicated to cancer education, prevention and awareness. Our guest speakers include doctors, nurses, social workers, cancer patients, survivors and family members who will provide information and support to those who live with and beyond cancer. The radio program is presented in Cantonese and airs from 8:00 PM to 9:00 PM on the 4<sup>th</sup> Monday of every month on AM 1450. **You can listen online to CCHC radio ([www.cchcRadio.org](http://www.cchcRadio.org)) station 1 that will broadcast live on the Internet.**

## Upcoming cancer radio programs

- **Feb. 27** Cancer and Diet  
Presented by Yvonne Liang, RD, San Francisco
- **Mar. 26** Clinical Trials  
Edmund Tai MD, Oncologist, Palo Alto Medical Foundation
- **Apr. 23** Chinese Immigrant Health and Cancer Disparities  
Jennifer Leng MD, MPH, Assistant Attending, Immigrant Health and Cancer Disparities Service,  
Memorial Sloan-Kettering Cancer Center

The monthly radio program provides a resource for Chinese cancer patients and their families to learn about cancer and related issues. We are pleased to offer this new program and to bring encouragement to Chinese cancer patients and their family members in the Bay Area.

Listeners can submit cancer related questions to [chivong@cchc.org](mailto:chivong@cchc.org) to be answered on the program. Archived programs will be available for download from the HCCN website [cancer.cchc.org](http://cancer.cchc.org)

For more information about the Herald Cancer Care Network or recordings of previous programs, please call **1-888-663-8585 x 103** or visit [cancer.cchc.org](http://cancer.cchc.org)
